TO WHOM IT MAY CONCERN

I am writing this letter to recommend Ayush Saun, employed as an Engineer at Samsung R&D Delhi bearing employee code 22517888 for further academic studies.

As Engineer, Ayush Saun has demonstrated good skills and dedication towards his work. He possess strong analytical abilities & good communication skills, and a keen eye for detail. These qualities make him well-suited for pursuing higher education in his chosen field.

During his tenure at our company, Ayush Saun has consistently met expectations, taking on projects and delivering outstanding results. His ability to think critically and solve complex problems has contributed greatly to the success of our team in the area of Web Technologies (front-End, React, JS, Java, MySQL).

Moreover, Ayush has shown a genuine interest in expanding his knowledge and staying updated with the latest trends in their industry.

In conclusion, I believe that Ayush's passion for continuous learning and good track record make him a suitable candidate for academic studies. It would be my pleasure to support his application and wish him every success in his future endeavors.

The above mentioned details has been reviewed & verified by his immediate manager. Kindly contact undersigned in case of any query.
